High Volume Low Pressure Off-Road Package (HVLP OR) adds these features to your BOUNDER Plus Power Wheelchair:

- **14" x 5.40" Low Pressure Pneumatic Knobby Black Tires** (ATV Style) - provides ultimate grip and a smooth, comfortable ride
- **9" x 3.50" Black Knobby Pneumatic Caster Tires** - foam filled tires available
- **Super Torque 4 Medium Speed Motors** - provides superb torque and a 6.5 mph top speed
- **Available with choice of chain or Panther drive**
- **4.5" Ground Clearance Under Battery Box** - 1" extra ground clearance to allow for easier transition over obstacles
- **Off-Road Wheelie Wheels** - provides greater protection against tipping when traveling up hills in loose soil
- **28.5" Overall Width** - from outside of drive wheel to outside of drive wheel

Add other options to this package for a full featured chair. For example, add our stable seat elevator or a tilt system.

* Never use your power wheelchair in unsafe conditions. Users should not attempt off-road driving alone and caution is advised. Make sure you have someone to help you in case you get into trouble. Avoid unsafe hills, inclines or obstacles that may cause your chair to tip over or become stuck. Wear proper positioning straps, helmet and goggles if needed. Pack of sand and loose soil will affect performance.

21st does not condone reckless driving of your power wheelchair and will not be held liable for damage, injury or death as a result. User accepts all liability if driven unsafely or in unsafe conditions.
